

AI4D Scholarship Enhancing Doctoral and Early Career Research in Artificial Intelligence (AI) and Machine Learning (ML) in Sub-Saharan Africa by Women Candidates

The African Centre for Technology Studies (ACTS) is pleased to announce the call for applications for the AI4D Africa Scholarship Programme funded by the International Development Research Centre (IDRC) and UK's Foreign, Commonwealth and Development Office (FCDO) that aims to support women candidates within sub-Saharan Africa.

This opportunity is open to all **public universities** supporting advanced studies and research in AI (or any of its derivatives).

The scholarship will support:

- PhD students in Artificial Intelligence (AI) and Machine Learning (ML) with a partial scholarship of up to **US\$ 28,000**
- Early Career Academics in AI & ML with funding of up to **US\$ 41,500**
- Scholars with capacity strengthening activities such as mentoring in the scaling of responsible AI solutions and much more!

Important Dates

Applications Open

14 January 2025

Deadline

14 March 2025
