LIVE WEBINAR

AI4D Scholarship Programme: Enhancing Doctoral and Post-Doctoral Research in AI and ML for Persons with Disabilities in Sub-Saharan Africa

Join our webinar on the AI4D Scholarship Programme, designed to support research by Persons with Disabilities in AI and ML in Sub-Saharan Africa. The programme aims to empower researchers from diverse backgrounds, foster innovation, and bridge the inclusion gap in AI and ML, particularly among persons with disabilities.

18 December 2024
3:00 pm - 5:00 pm EAT

» Learn about the goals of the program, the requirements for eligibility, and the assistance offered to scholars.

» Interactive Q&A: Get answers to your questions from the panel and learn more about the scholarship's benefits and application procedure.
